Banks' requests for letters of credit and remittances - Private sector

(By most important beneficiary countries)

An analysis of the distribution of foreign exchange purchase requests submitted by the private sector through commercial banks revealed that 88 countries around the world benefited from these requests. The table below shows that 28.0% of total bank transfers covering letters of credit and various transfers during the period (1/1 - until 31/08/2025), were directed to the United Arab Emirates, which topped the list of beneficiary countries.

Türkiye came in second with 22.7%, followed by Egypt with 11.0%, and Switzerland with 4.5%.

The following table lists the top twenty countries that benefited from private sector foreign exchange requests during the indicated period.

Banks' requests for letters of credit and transfers - Private Sector

(according to the most important beneficiary countries)

During (1/1 – 31/08/2025)

Order.	Beneficiary Country	Value in USD	Relative Importance %
1	United Arab Emirates	3,079,493,261	28.0%
